WE CARE ABOUT YOU

Our Policy

- **Cancellation Policy:** If you are unable to attend your appointment for any reason, we require 24 hours notice in advance for Specialist & Allied Health and 2 hours notice for your GP appointment. Failure to attend without notice incurs a \$50 non rebate able fee that will need to be paid prior to your next booking.
- **Privacy Policy:** Your medical record is a confidential document and our practice is committed to protect your personal health information at all times. No information will be provided to third parties without patient consent.
- **Urgent Appointments:** If your appointment is an emergency and you require an urgent on the day appointment, you will be triaged by a clinical team member and the practice will treat the situation with the appropriate action according to the urgency.
- **Results, reminder, scripts & referrals:** We use HOTDOCS for recall and patient reminder purposes however it is up to the patient to follow up on their results. All results need to be discussed with the referring doctor & the practice will contact the patient if it is an urgent result. For all scripts and referrals, an appointment with the doctor is required.
- **Home visits:** In certain circumstances, home visits can be arranged for existing patients at the discretion of the relevant practitioner.
- **Communication Policy:** Please advise reception of your request/problem and in most cases they will relay your request and arrange the appropriate follow-up. While we endeavour to respond to your emails & facsimiles daily, certain circumstances may prevent a prompt response. Please note our emails are not monitored regularly. Please be aware that we do our best to answer all incoming calls in a timely manner.
